Comments and Highlights on next page

Comments: Today was a miserable day to play tennis. It was cold and very windy. We overmatched a very inexperienced team. The good news for Audubon is that their number of players is up this year. I can't recall the last time that they were able to field a varsity and JV squad. It is also gave us a chance to let some of our younger players to get a match.

Highlights: Nick Ingram's solid groundstrokes cut a nice path through the wind. It is nice to see that wind has little effect on his game.

Joel Aurand continued to serve very well.
