Comments and Highlights on next page

Comments: We showed a good and a bad side. The singles matches were tight and we showed a lot of mental toughness to finish them out with wins. Unfortunately our doubles play was quite disappointing. At times we looked sloppy at the net and let their speedy team gain the momentum that is so important in doubles play.

Highlights: Jacob Heiden's skills keep improving each week. He played a quality opponent and even though he fell behind in the match he was able to hold his service when it got tight and step up and break his opponent with an ever improving net game.

Nick Ingram, normally a slow starter, played well right from the very start and had a good day.

Andrew Hrabik won his first match as our #3 player. He is a talented sophomore whose solid groundstrokes give him an advantage playing in the wind.

In his singles game, Conrad Heiden's groundstrokes were fantastic. He is a hard player to beat when he's got that forehand dialed in.

Joel Aurand constructed some very nice points in his singles match. He is quite an intelligent player.
