Comments and Highlights on next page

Comments: TJ was unable to bring most of their usual varsity players today and were forced to fill their #3 through #6 positions with JV players. After securing the match with singles wins, we played our own JV players in the varsity doubles matches. Hopefully the experience will benefit them for next year.

Highlights: Jacob Heiden's serve and overhead showed marked improvement in today's match. He is improving at just the right time.

Nick Ingram's first serve was on today. When that is the case, it is very difficult to break his serve.

In their varsity debut, sophomore Nick Stover and freshman Tanner Bremser won easily 10-2. They did a good job of finishing their points at the net when given the opportunity.

Varsity Singles Winners: Jacob Heiden, Nick Ingram, Ryan Petersen, Andrew Hrabik, Joel Aurand, Philip Keairnes
