Comments and Highlights on next page

Comments: This was an experienced team who were their conference champions last year. Despite losing their top 2 players and this being Cherokee's first match of the year, we knew that we would have to play well today. Fortunately with 2 matches under our belt this season, we jumped out to early leads in most of our singles matches and were able to break their resolve and take 5 of the 6 matches right away. They are an excellent serving team and will be trouble if we see them in post-season play.

Highlights: Andrew Hrabik really kept his head against an aggressive Cherokee senior. He returned the ball quite well today in his singles match.

Joel Aurand kept rolling this season with 10-3 win. His game has improved so much in the span of two years.

Despite problems with his serve, Jacob Heiden's return game filled with well angled shots let him best his opponent 10-5 and clinch the win for the team.

Ryan Petersen got out to an early 6-2 lead, but lost the next 4 games to tie the match. His focus however carried him the rest of the match for a 10-7 win. He is also greatly improved this year and all of his shots are coming together this year. He has become a complete player.

Nick Ingram fell down big 3-8 against Cherokee's talented #1 player. His groundstrokes were quite shaky, but he fights harder when he is down. He ended up bringing the match back to 7-9 before the loss. His good play continued throughout his doubles match.

Philip Keairnes' returns in doubles were the best I've seen this year. That combined with Ryan Petersen's volleys made them look very good today.

Varsity Singles Winners: Jacob Heiden, Ryan Petersen, Andrew Hrabik, Joel Aurand, Philip Keairnes

Varsity Doubles Winners: Philip Keairnes/Ryan Peteresen, Joel Aurand/Andrew Hrabik
