Comments: What an emotional win for us today. Atlantic is a very good team. Many of the matches could have gone either way and we were fortunate to come out on top in most of them. If we hope to make it to state, we'll see this team again. We'll need to keep on improving after giving them notice today that we plan to contend with anyone. The JV loss wasn't unexpected. Many of the beginners in our large squad got their first opportunity to play today. Unfortunately it was against an experienced, well coached team in Atlantic's JV.

Highlights: By far the biggest highlight was the #1 doubles win by Jacob Heiden and Nick Ingram. Their opponents were undefeated and one of the top duos in our conference. They brought out the best in Nick and Jacob.

Nick also had a big win in the #2 singles position. His big serve was just too much for his opponent.

Andrew Hrabik trailed through most of his match but managed to force a tie-breaker. He got ahead 4-1 and managed to pull off a 7-4 tie breaker win to win the match 11-10.

Joel Aurand also came through big in his singles and doubles match. He is quite a weapon for the team this year.

Ryan Petersen hit some of his best groundstrokes of the year in the first half of his singles match to give himself a sizeable lead. Unfortunately his opponent clawed back into the match and bested Ryan 11-9.

In the JV match Sam Wolf had the lone singles win and also paired up with his brother Elijah for our lone JV doubles win. Sam's forehand has looked very good lately.
