Comments from head coach Nick Bradley:

The Monarch XC team has had a lot of meets in a short amount of time. Our kids are handling the grind extremely well. They continue to push hard and are getting better each and every meet. The girls team continue to get better. Their training has come along way and they are pushing each other in practice and in the meets. Cracking the top 10 for the girls were Lola Mendlik (1st) and Alexa Tremblay (4th). The boys team continues to work hard. We are still battling some injuries that we are working through. I love the fact that we have boys that are stepping up at the varsity level and pushing themselves. Our MS girls continue to get better. Chloe Galvin (6th) and Aubrey Young (10th) were both able to come in in the top 10. This was a great meet for both girls. The MS boys continued their dominance. They continue to pack up and work together. They were able to beat some tough competition today. IKM and Woodbine have some good MS runners and our boys really had to manage their races in order to win. Angel Garcia (4th), Raul Salas (7th), Gio Gomez (8th), Raul Castell (9th), and Jaime Hernandez (10th) were all able to crack the top 10. The Monarchs are going to get a well-deserved day off on Friday. They will see action again next week on Tuesday and Thursday.
