

National FFA Convention

November 1st through the 3rd, Denison FFA sent 10 FFA members to the National Convention in Indianapolis, Indiana. There, the students had the opportunity to meet tons of new people, attend workshops and sessions. National Convention is a great way for members to get out of their comfort zone and meet new people they relate to. The members attended an industry tour at Kinze manufacturing and got to meet with many colleges and businesses at the expo center. Cole Carlson and Emily Frazier received their American Degree. Less than 1% of FFA members receive their American Degree from across the country.
