Comments by Coach Eller: "We beat a good soccer team tonight. Lo-Ma has some players with good speed and some players who have powerful legs. I was really impressed with our defense tonight as we did a great job of keeping everything in front of us by not waiting too long to drop back on their counters. Our midfielders did a great job of marking up the drops and we really didn't give up a great shot attempt all night due to a great team effort on defense. Sam was very aggressive in the goal and did a great job of picking up their through balls at the top of the box before their speedsters could get to the ball. Our communication was great as I could hear the girls talking the entire match. Offensively, I was really happy to see that both of our goals came as the direct result of things we've been working on in practice. We worked quite a bit on switching the ball from side to side and that was our 1st goal on a great cross from Rosy to Libby, who did a great job of spreading out wide and keeping the cross pass in front of her. Our 2nd goal came from a great throw-in coupled with a great box out on a defender to win the ball. After that, Aremy went to work and scored a very impressive goal beating a double team. We had great passing to create some other good shots that just didn't go in. We also had some good passes that would have worked on normal days, but they got away from us with a very strong wind behind us in the 1st half. The teamwork and unselfishness the girls are playing with is very fun to watch. We are off to a great start with 3 consecutive shutouts. The schedule gets very tough from here on out, but I'm very happy with how the girls are playing. We need to approach every game with confidence and just remember to continue playing the game the way we've been playing it and continue to have fun playing the game".
