Comments by Coach Eller: "St. Albert has a very nice team who is another team that does a great job of possessing the soccer ball. I thought we did a great job defensively on staying marked up and making their shots tough, especially for their leading scorer. Janet Castillo and Lynnae Johnson had a great game defensively on their all-state forward. Our trouble was possessing the ball. We gave up 2 goals due to turning the ball over due to being unable to complete simple, short passes that led to steals and open shots. We just weren't able to string together enough consecutive passes to create many shots today. We got in the habit of trying to play the long ball too much and we had no success with that. We will get back to work on possessing the soccer ball".
