Goal: Just 3:09 into the 2nd half, Aremy Santos scored her 10th goal of the season on a header from 5 yards out, assisted by Estela Lupian (2nd assist of season). Estela stole a goal kick taken by Atlantic about 25 yards out and centered a pass to Karla Sanchez. Karla took a shot that an Atlantic defender stopped by sticking her leg out. The ball rebounded back to Karla who passed the ball back to Estela about 16 yards out even with the numbers on the field. Estela put a nice crossing pass right at the center of the goal and Aremy ran in from 10 yards out to head it in just under the crossbar.

Comments by Coach Eller: "A great conference win on senior night. We recognized our 7 seniors and our senior manager: Angela Cruz, Mia Garcia, Zoey Gonzales, Estela Lupian, Aliyah Meyer, Genesis Reyes and Aremy Santos played their last home regular season game tonight and our team sent them out with a conference win! We also recognized Hania Ramos for her help as a manager this season. Our defense was fantastic again with another shutout. Our midfield also did a great job of getting back and marking when Atlantic had counters. Offensively, we did a great job of controlling possession and creating several great shots. We got one of them to go in and that was all that was needed today - assisted and scored by seniors on senior day! The goal was the result of great passing by Karla and Estela and if Aremy didn't get the goal - Libby Leon was running the back post and she would have had a great shot if Aremy wasn't able to get her head on it. This was our first win against Atlantic since 2019 so it's the first time we've beaten them since I've been the girls' coach. Having 3 conference wins is our best conference wins total in my 3 years of coaching the girls' team - so the girls have lots of things to be proud of".
