Boone's goal came with 10:33 remaining in the 1st half on a crossing pass that was received 16 yards out and the Boone forward got the shot off from 8 yards out after her dribble caromed off a Lady Monarch defender right back to her foot, surrounded by 3 Lady Monarch defenders.

Comments by Coach Eller: "We battled all game, but we weren't able to put a goal in. We did a great job on defense as the majority of Boone's shots came from 25-45 yards out on drops to their midfielders or defenders. I thought Janet Castillo did a great job on their leading scorer to hold her scoreless despite Boone targeting her every time they had the ball. The goal we gave up really was because the ball bounced Boone's way - we had 3 girls in the area but the carom went right to her right foot for the 1 touch shot just inside the right post. If it bounces anywhere else, the game would have been scoreless after regulation. Offensively, all of our best looks weren't on goal as we had some chances from about 15-25 yards out several times but we were consistently wide of the goal. We didn't have the speed to get by their defense on our counters or our 1 on 1s, so too many of our possessions ended without a shot. It was a good back and forth soccer game, with the possession much more even than the stats would suggest, but Boone's speed was too much for us tonight".
