**Comments and Highlights on next page**

**Comments:** Harlan took a big hit from graduation last year losing their top 5 players. With losing 4 players ourselves, this was a good first outing for our inexperienced squad. Hopefully we can continue to improve throughout the season. I particularly liked our dominant doubles play.

**Highlights:** Braden Curnyn's forehands kept improving throughout the match. By the end of the doubles matches, they were almost unstoppable.

Blaine Brodsky's serve was dominant in singles play. When it is on, its power is hard to deal with.

Hunter Pieper put his volleys away with authority, while his partner Omar Abarca kept his opponents at bay with solid groundstrokes.

It was terrific to see the JV pitch a shutout today. It signals good things for future seasons.
