Comments from head coach Nick Bradley: Not a bad day for the Monarch wrestlers. This was a long day for some of the guys. A lot of the young guys are not used to wrestling so many matches in one day. They found out real fast that they had to be in great shape each match. Andrew Overton and Jorge Partida both had great days. They both wrestled well and showed the intensity needed to win. They are great leaders for our team. The Monarchs will see action again this Thursday at home against Clarinda and Kuemper.
