**Comments from head coach Nick Bradley:** Tough start for the Monarch wrestlers. We have multiple guys wrestling up in weight classes. We are also giving away 30 points every dual meet. It is going to be extremely tough to win a meet giving away so many points. We are a very young and inexperienced team as of right now. As a team we need to work on learning moves and learning them the right way. We have a lot of potential. The Sergeant Bluff team is a very good team. They have a ton of experience. I was glad we had a few boys step up and win some matches for us. Westwood was a much better match for us. We won four and lost five and only lost by fifteen points. To me this is huge. We were giving away so many points and were still in the match. On the Varsity side we had great wins with Andrew and Bobby Overton. The guys who gave us wins were guys who were at practice all of Thanksgiving break. Hard work when no one else is willing makes a better athlete. My team needs to focus and learn that hard work, determination, and perseverance will pay off in the long run. We see action again at home this Thursday against Missouri Valley and Red Oak.
