Comments from head coach Nick Bradley: The Tiger-Knight Invitational is always a great ending tournament for the Monarch wrestlers. Good wrestlers and exciting matches always happen. Our lower weight wrestlers had a tough day. Each wrestler lost matches that they shouldn't have. We are dealing with young mistakes. I am confident that each of our lower weight wrestlers will learn over Christmas and make the right changes to help them win matches. Dakotah, Bobby, and Andrew all had good days finishing 3rd. Each wrestled good matches but lost to good kids in the second round. They all bounced back and finished strong. The boys will not see action again until Jan 5th against Tri-Center and Shenandoah.
