

# 2024 Golf Prospectus

Head Coach Katie Burns

# of Years including this season Year 2

# of Returning Letterwinners **(Please mark on team roster)**

Returning: 6 Varsity returning, 3 JV returning from last year.

Below is also what I would like:

1. Comments on upcoming season (Overall outlook, strengths, weaknesses, concerns).

This year I have 17 girls out for golf. I will return everyone from last year and I am excited about that! I am also very excited about the new faces joining us this year in 2024. We were a young group last year, but collectively they came a long way. I am looking forward to having 9 returners who have a little experience on the course. With that being said, unfortunately my #1 from 2023 season, Tanna Petersen (10th) has been battling a sickness since October and her status is up in the air right now at how much she will be able to handle. We are praying for the best for her health right now and will know more of what she can handle when we get rolling. I also have Isabel Jepsen (11th) who rotated in that 4, 5, 6 spot last year who is currently in a walking boot due to a fracture in her foot, so again, another varsity player who is TBD at this point in time.

It is definitely a strength this year to be returning my varsity roster and I am excited that we can jump right in with some experience. Last year it took us a couple of meets on learning what to expect as we were young, and I had some first time players who played their first 18 hole round(s). Maggie Hennings (12th), Quinlan Bygness (12th), Emiy Bahnsen (11th) & Ava Pauley (10th) round out my varsity roster from (last year) who bring some experience to the team and I am anxious to see what they can do to lead us. We also have three JV members last year that were competitive, and I foresee great things from them if they keep putting in the work. Our returning JV girls who contend right with my Varsity and are competitively fighting for a spot are: Addison Houston (10th), Lauren Herrig(11th), and Hannah Harris (11th).

I am hopeful for the new faces who are joining golf this season. I have 3 new freshmen players, Grace Collins, Ali Ulrich, and Myah Schwarte. New juniors: Tayla Brodersen, and Ingrid Fuentes, and new seniors: Taya Adams, and Chloe Koch. I am excited that these girls are out, and most of them are *not* new to golf. They have been around the game, are familiar with the game, been to past camps, etc. so again, very hopeful that they will produce, and we will have a very competitive season.

Our goal this year is to really get past that hurdle from last year of inconsistency. We had great meets, and were competitive, but inconsistent collectively as a team throughout the year. I feel with these 17 ladies it could get really competitive in battling for those top 6

spots. I am looking forward to a great season with these ladies, really working to improve their game and knowledge of the sport while competing and having fun.

Coach Burns
