Denison	2	0	0	5			7
Carroll	2	3	0	3			8

Comments:

The Freshmen Monarchs started their week in Carroll against the Tigers in a DH matchup. Cole Kastner got the start and would go 4 innings striking out 5. The Monarchs were able to bat around in the top of the 3rd inning. That would prove to be enough as they would go on to take game one by a score of 11-2. In game two, the Monarchs continued to keep things going as they scored two runs with the help of back-to-back doubles by Gabe Henningsen and Josh Ramos. The Tigers responded to get two runs of their own to tie it up after 1 inning. Josh Ramos started the game before Ethan Totten came into relief striking out 5 in just 2 innings of work. The Monarchs were able to score 5 in the 4th inning, but Carroll would respond again in the bottom half to take the lead and take game two by a score of 8-7. We will be back in action at home Tuesday against Carroll again from a make-up date from June 15th starting at 11 AM.
