Brailyn Desy - 1 inning, 27 pitches

Comments: The Monarchs started the game with Cody Schulte striking out the two of the three batters in the first inning where the other out came as a slow comebacker to Schulte. We would strike first again scoring the two first runs of the game capitalizing on an error from Audubon. Schulte would go on to pitch 4 solid innings where he did not give up a hit until the 4th inning. In the 4th, Audubon would get 1 run to cut the Monarch lead in half despite some solid defensive play when the bases were loaded. Audubon would go on to score 3 in the top of the 5th inning to take the lead and go on and win game 1 with the score of 4-2. The Monarchs were able to put pressure on the defense on the basepath as well as putting the ball in play.

Comments: The second game of the double header resulted in the Freshman Monarchs falling by a score of 7-3. Nash Langenfeld got the start and went 3 innings providing lots of strikes and weak hit fly balls. The Monarchs were able to get on the board first again scoring 2 runs in the first inning. Audubon would score 5 in the 3rd inning before Brody Scheuring made a nice catch in left field to end the inning. The Monarchs would score 1 more run in the bottom of the 3rd inning, but couldn't push any more across. Next week, we are only in action Wednesday in Harlan for a double header starting at 11. We will be able to reflect on these past two days at practice to improve all around moving forward this season.
