Extra Notes:

Tonight was a good freshman game to watch with a lot of offense. The offensive line gave great protection and we opened up the passing game. Cody Shulte and Anthony Arambula had a great night connecting on three scores. Unfortunately, we struggled to get off the field defensively. Give credit to Webster City, they have a tough offense to defend. We had multiple 3rd down situations and even two fourth downs and they ended up converting. The coaches are proud of the development of this freshman group. They competed in every game and gave us a chance to win. This group was fun to work with and the coaches are excited to see how they progress through the program.
