

The freshman pulled out a win in their last game, beating Sioux City West 21-12 in a 9/10 game. The game started rough as we fumbled the opening kickoff, giving them the ball, and they drove down to score. Our team has grown over the season, in the past they might have folded, but our team rebounded and played hard. Cale Paulsen threw a 40 yard touchdown pass to Karsen Bruhn putting us ahead 7-6 at the half. In the second half we drove down and scored with a 2 yard touchdown run by Cale Paulsen. Defensively we didn't allow them much room moving the ball. Late in the third quarter Sioux City's pass was picked off by Charlie Beeck and returned for a 25 yard touchdown. This team made a lot of improvements throughout the season, and if they can stick together they have a bright future.
