Extra Notes:

Tonight was a fun back and forth football game with multiple lead changes. Credit to our defense on getting the necessary stops when we needed them. Offensively, we moved the ball and did a nice job of sustaining drives. We received the ball to start and had a nice drive that led to a field goal. LeMars responded with a touchdown. We then had a nice drive to get us to flip field positions and had to punt. LeMars drove the ball down to our 15 and Benny Matthews had a nice play of tackling the receiver and picking up the fumble. We then went into half. We responded with a long Desy run that put us back into the lead. They responded with another touchdown. The very next offensive play we had a heck of a pass to Arambula from Schulte

that gave us the lead. Then our defense made a great stop on their last effort to score. The coaches are proud of the guys and their efforts. We are starting to put everything together and compete at a very high level.
