Extra Notes:

- Ismael Alfaro fumble recovery
- Sebastian Contreras interception

Tonight we struggled on offense and defense. The offense was not moving the ball leading to a lot of three and outs, and the defense was on the field too much making it difficult to get off the field. We lost the turnover battle leaving Carroll with a lot of opportunities to score. We had several good things happen in this first game. We just need to build on those and clean up some of our mistakes. We will get back to work and get ourselves prepared for AL on Friday.
