Extra Notes:

Tonight in the first half is the best football we have played so far this year. We did a great job of keeping them out of the red zone and doing some nice things on offense. In the second half, we had too many mistakes that cost us field position and the lead. The coaches are proud of the effort of the guys making it a close ball game in the final minutes. We just need to keep working on execution and putting a whole game together.
