#### Extra Notes:

Tonight we did a great job on defensive side of the ball all night and established the run game. The guys upfront get a lot of credit for this win. They dominated the line of scrimmage on offense and defense. Our skill guys stepped up at certain moments to give us some big plays that helped us end up scoring. We still need to clean up some areas, but the coaches are super proud of the effort by our guys. It was a great win and a whole team effort.
