**Extra Notes:**

Tonight was a back-and-forth football game. We did a better job of competing throughout the whole night. We had some costly turnovers at the beginning of the game, where we could have changed the score early. Offensively, we did some nice things, but we need to work on being consistent and keep the chains moving. Defensively, we did a nice job early creating turnovers and forcing them to punt. As the game got later in the fourth quarter we didn't gang tackle and that led to multiple first downs. Overall, the guys did a nice job of competing through the whole game. We need to work on some consistency and putting a whole game together.
