The varsity girls place 5th at the state tournament today. They began their day with baker games of 168, 169, 169, 194, and 174. They were throwing the ball well, but would leave a few splits that were difficult to pick up. Their second set of baker games were the most difficult for the team as the lanes were drying out faster than they are used to. They bowled games of 137, 136, 172, 144, and 191. The third set of bakers, some of the girls switched equipment and were able to throw games of 172, 162, 173, 187, and 144. They finished the 6th seed with a score of 2492. They bowled against Keokuk in the first round of the consolation bracket. They were able to beat Keokuk in 3 games with scores of 210, 183, and 181. The next round they were bowling for 5th place against Mason City. Once again, they were able to beat Mason City in 3 games with scores of 171, 184, and 206. The girls really turned things around in the brackets. I'm really proud of how they were able to overcome the challenges they encountered during the first 15 games and bowl so well during the bracket round.
