Jake started off with a great game of 225. He stuck a few 10 pins, but the number of strikes he through made up for that. His next game, he continued to do well and bowled a 235. His third game, he didn't have to change much and continued to bowl well throwing a 202. Jake was able to place 7th giving him the chance to compete in the bracket. Jake went up against Damien Timm from Urbandale. They went frame for frame right up until the 10th where Jake won 231 to 229. He was now in the top 4. His next match up was against Jacob Shaffer from Marion. Again they went frame for frame, but Jake ended up beating him 238 to 234 landing him in the finals. His final match up was against Kendall Bell from Council Bluffs Jefferson. Jake lost 203 to 176, but ended up placing second in the state.

It was a great showing for Denison-Schleswig in the individual competition. We couldn't be more proud of how well everyone did today. It's great watching their hard work throughout the season pay off.

Brittany started off strong her first game with a 233. She had a wide range of boards she could throw over and still hit the pocket. Her second game she struggled. She had 3 opens in the beginning, but managed to throw strikes or spares to finish her game and bowl a 163. Her last game was about the same as her second. Brittany bowled a 160. She wasn't able to throw the strikes like she did in the first game, but was able to pick up her spares to stay in it. She gave it a good run and finished 16th in the state with a 556 series. Compared to scores last year, this series would've placed her 7th. The level of competition across the state has improved quite a bit this year.

Brianna started really well bowling a 235 her first game going strike for strike with Brittany. Her second game she really struggled. With a few tough breaks and opens, Brianna threw a 135. She knew she needed to have a great score her third game in order to compete. She found her mark quick and was able to bowl a 248 for her last game. This landed her in 5th place giving her a chance to compete in the bracket. She bowled against Faith Renshaw from Lewis Central her first game. Brianna beat Faith 203 to 178 and was in the top 4. Her next match up was against Bailey Gill from Le Mars. Brianna struck out from the 8th frame and beat Bailey 213 to 191. This landed her in the finals where she was bowling against Jaelynn Ketterer from Keokuk. Brianna lost 205 to 179, but ended up placing second in the state.
