The varsity girls placed 2nd at districts where they qualified for the state tournament. They bowled a total of 15 baker games changing lanes after every 5 games. Their first 5 games were 151, 160, 160, 217, and 190. After the first 5 games, the team was behind LeMars by 1 pin. The second set of 5 games were 170, 159, 123, 140, and 155. Our girls really had a tough time with this set. The pins weren't falling and they had trouble picking up spares. The last 5 baker games were 175, 179, 156, 177, and 163. They made a good effort trying to catch up to LeMars, but they weren't quite able to reach them. However, girls did end up securing the 2nd place spot with a score of 2475. LeMars placed first with a score of 2679.

Individuals did not go how the girls wanted it to. We had a few girls close to qualifying, but they were pins away. Ashton Randeris placed 9th only 6 pins away from qualifying. She had a series of 499 with games of 158, 164, and 177. Grace Collins placed 11th with a series of 495. She had games of 176, 170, and 149. Abby Ratliff placed 13th with a series of 491. She was actually in 4th place until her last game. She had games of 177, 198, and 116. McKennon Olson placed 15th with a series of 480. She had games of 172, 169, and 139. Other high games from some of the girls were Hailey Lutz with a 151 and Hailey Galvin with a 141. The girls battled hard during this competition. Again, they were throwing good balls and either sticking a single pin or leaving a split. The girls dealt with those challenges the best they could.
