Coach Comments

Tonight we able to get out to a good start and build an 8 point lead by getting out in transition and share the basketball. Harlan made a run at the end of the second quarter that continued into the 3rd to grab the lead. From there it was a really a back and forth game until about 2 minutes to go and it was 38-37 and we missed a put back at the rim. They go down and there is a scramble for a loose ball, Harlan got it and kicked it out for a corner 3 and had a 4 point lead. We had a few chances at the FT line, but didn't convert. And unfortunatley in a low scoring tight game, the FT line proved to be a back breaker as we went 3/16 from the FT line for the game. We really did a lot of good things just didn't convert from the FT line.
