Coach Comments

Long road trip on day two of back to back games, I was a little worried about how we would come out of the gate, and rightfully so we did start a little slow in the first 4 minutes. Once we got our feet under us we were able to take control fo the game the final 12 minutes of the first half. The second half we did some good things, and we were able to get some more guys into our rotation. That was important and valuable time to continue to develop our bench and get younger kids some experience. Now it will be time to rest up over the weekend and get back at it next week with 3 games in a week. Starting with senior night at home on Tuesday vs Spencer.
