Coach Comments

Tonight we hit a little lull in the 2nd quarter as we got worn down a bit by Spencer full court pressure and got sped up and turned the ball over too much. In the 2nd half we did a much better job of playing at our speed and converting turnovers into points, breaking down their defense, but getting the ball rotated and knocking down shots. We did a really good job owning the rebound department in the second half and really locked in defensively. After being down 11 at half, we could have felt sorry for ourselves and folded. But I am really proud of the guys in the way they fought back as a team and came through in the 2nd half tonight.
