**Coach Comments**

First game after break at home and in conference play versus Creston I thought we got off to a good start offensively, but were a little rusty defensively in our rotations. Both teams also got into foul trouble in the first half and ended up being a free throw game for awhile. Finally in the second half I felt like we settle in defensively and got consecutive stops which led to transition points and we started executing better in the forth quarter and got some really good looks. We didn't put a full 32 minutes together but was proud of how we responded to each Creston run and finally put the game away in the 4th quarter. Good way to start, and big game looms with Kuemper next Tuesday.
