**Comments-** Tonight we got off to a little slow start on both ends of the floor. But once we settled in, in the 2nd quarter I felt like we were able to get some things accomplished and knock some shots down offensively and our defense really ramped up the last three quarters to hold them to 21 points and 13 in the second half. Tonight Aiden got us going and our guys were relentless attacking the basket as noted by our 32 trips to the free throw line. Although we would have liked to make a few more of them we got a lot of defensive stops and took a 6 point game going into the 4th and ended up winning by 16 with some really good defense down the stretch. A big week for our guys as we faced some adversity but its always good to go 2-0. Now we have some big non-conference road trips that we need to get ready for next week.
