<u>Coach Comments</u>					
Being our first game, we did a lot of great things. I thought we rebounded well for most of the night and shot it from behind the arc well. We still need to be better at taking care of the basketball and taking pride on defense. Sioux City West had two good players that we need to do a better job at making them uncomfortable and our help defense has to be better. We will learn from this game and be ready to play a tough and physical OABCIG team on Tuesday 12/2.
