Coach Comments

Tonight our guys did excellent job of playing for each and together and I felt like that lead to getting after loose balls, created deflections, and owning the boards. All things we needed to help us get out of our funk. Additionally those hustle plays I believe helped spurt us a little offensively and gave us a boost tonight. And also really proud of Lance being assertive against a team full of pyshical bigs and I thought he set the tone for us for the night. Proud of our guys and hopefully we can keep it rolling in our last game before break at Red Oak.
