Comments- Tonight we really focused on making sure we were locked in defensively. We felt like we had a good two days of prep to get ready for a solid Clarinda squad that was above us in the conference standings. And our guys executed defensively almost perfectly in that first half. After a little bit of a slow start in the first part of the first quarter we got some things going offensively and our defensive pressure continued to be the difference in the first half and first part of the third quarter. If we can continue to guard like that for 32 minutes we can give ourselves to win against anyone on our schedule.
