Coach Comments

Tonight we really got out of the gate offensive by pushing the ball in transition, making the extra pass and finding open guys inside and dominating the paint. Once we started getting stops defensively, we were able to increase our lead from a 2 possession game to a 5-6 possession game. In the 2nd half when we got stops were were able to extend the lead. We did have a couple of lapses. But all in all was very proud of the way we finished this game and in our last two before break. Now we are going to enjoy our break for a bit, finish up in the classroom and be ready to get back at it after the new year.
