Comments- Tonight was an exciting night for our guys in our home opener. We got off to a great start on both ends and hit some open looks, but then struggled a little bit on the offensive end in the 2nd quarter and that impacted our defensive intensity and Storm Lake made a run at us. But in the second half we continued our defense intensity and executed better on the offense end to get back into the game. In the 4th quarter we ran some really good offense and played with a lot of confidence and got enough stops on the offense end to pull out a good come from behind win tonight. A great early season test for us, to get us prepared for conference play which comes up on Saturday with our game at Kuemper. Back to work tomorrow and all our focus on starting the conference on the road at Kuemper.
