Comments- Tonight we knew we were facing a really good Red Oak squad on their homecourt who would be coming in with a lot of confidence after playing Harlan to the wire the Friday before. We got off to a decent start offensively in the 1st quarter, but had too many defensive breakdowns in the first half to allow Red Oak to take a one point lead into the locker room. At halftime I felt the guys took the challenge we laid out for them pretty well and came out in the 3rd quarter and picked it up a notch on both offense and defense and responded well and were able to knock down free throws and get enough stops down the stretch to keep the game at 8-12 points throughout the 4th quarter. A third of the way through the season and half way through the conference season, I felt we played some really good basketball. Now the challenge is to go home and spend some time with family over the holidays and come back ready to get better for the 2nd part of 3 seasons after break.
