**Comments-** Saturday afternoon presented many challenges for our team early in the season, 3rd game in 5 days, first conference game on the road, different schedule with 5 straight games, and our team battling injuries, and line up changes. But as we talked about in the locker room, it just makes the story we are going to tell that much better. For the first 13 minutes Kuemper really took it to us and attacked our defense a bit, was up 24-12 midway through the 2nd quarter, but credit our guys as they battled back to down just two at half 26-24. In the 2nd half we came out of the locker room and grabbed the lead, only to see Kuemper get a 9 point lead with 6 minutes to go in the game. But credit our guys for really cranking up the defensive intensity and out scoring them 24-5 in the last 6 minutes. A credit our guys for the relentless effort on the defensive end and making enough plays on the offense end to battle back and to knock down our free throws down the stretch. Now we need to rest up and be ready to work again on Monday as we have another big week with 2 conference games with Glenwood on Tuesday at home and at Harlan on Friday.
