Coach Comments

Tonight we saw great intensity and effort by both teams in what turned into a little bit of a defensive slugfest. Something we haven't been able to do in the first three games. I was really proud of our ability to guard, create deflections, and get to loose balls. Something that we haven't done enough of early in the season. Offensively we werent quite as crisp, but at the same time the game really slowed down in the 2nd half. Our defense execution late was pretty good aside from a couple breakdowns, our offensive execution we will need to continue to burn clock a bit while still getting a good shot at the end of a position. But something we can surely work on as the season progesses. It was great to see our guys pull out a gritty gutsy effort and get our first win and first conference win in our first conference game of the season.
