Monarchs (11-5, 6-3) - 43
Spencer - 59

Comments- Tonight we knew we were facing a really good Spencer team, a team that can score from all spots on the court, and would really get out and guard you. I thought in the first quarter we did a really good job of getting to the rim and getting shots, we just didn't get anything to fall early. In the second quarter we got some open looks and just weren't able to convert. Give Spencer credit I thought they got us sped up a bit and were uncomfortable on the offensive end. Defensively I thought we did some good things, but just had a couple possessions where we gave them extra looks and they made us pay. It was a good barometer test for our guys as we get closer to postseason and showed us some things we need to get better at as we prepare for the stretch run. I expect to see Spencer in a Substate final and a likely State appearance, so we know what level of team we need to be to play at the level, and I think if we iron some things out on both ends we can be right there with teams at that level.
