Monarchs (13-9, 7-3) - 66

Atlantic - 53

Comments- Tonight with a quick turnaround from Friday's game at Atlantic, I was worried about how our energy levels would be coming off a long road trip and a short rest. But I think our familiarity with Atlantic from playing them ten days ago, and playing really well at Glenwood gave our guys the boost to play really well again at Atlantic. After the first few minutes I thought we did a great job of getting the ball to the paint and establishing our ability to threaten the rim with our bigs in the post and with penetration. Defensively we were so much better on Templeton and Rasmussen who have had some really big games against opponents the last couple of weeks. I am really excited to see what our guys can do in the next couple of weeks when we get balanced scoring, which comes from sharing the basketball, defending really well, and getting all guys in our rotation to contribute each night out. Now we have a week to perfect our craft and prepare for our District game on Monday at Harlan vs LC.
