Coach Comments

Tonight we really challenged our guys as we finish up with 5 straight road games. We talked about things won't be perfect and teams will shoot better percentages at home. And that we needed to make sure we got off on the right foot. Which we did tonight. But give Atlantic credit that each time we built a double digit lead and a few times in the 2nd quarter even grabbed the lead. Finally towards the end of the 3rd and start of the 4th quarter we were able to extend the lead to 12-15 point game for most of the 4th quarter until the very end. A good solid win for our guys tonight. In which we played well, but I think we can be even better. We were able to keep Rasmussen to 8 below his season average so a really good defensive effort for a team averaging in the upper 60s to hold them to 51. Short turnaround as we have Carroll at their place tomorrow.
