Coach Comments

We knew it would be a tough battle on short rest in a back to back night situation on the road when this schedule came out. Additionally we were short handed as well a bit tonight. But really give credit to our guys. Jake Fink got us going in the first half with 15 points. Then Carroll came at us in the second half with some halfcourt pressure that is when Lance really did his work scoring all 15 of his points in the second half. Defensively we did a really good job of guarding the 3 point line. And made some big stops at the end of the game to pull out a big win over Carroll. We need a good 48 hours of rest and preperation as we turn around with Kuemper on Tuesday.
