Coach Comments

Tonight we knew we were going into a really tough place to play, I don't think Kuemper had lost at home all year, against a team playing for a share of the conference, and frankly a team that beat us pretty good at our place early this year. Give our guys credit for coming out of the gate from the word go and playing really well on both ends. In the first half we were probably the best we have been on the offensive end all year. Defensively we held a team averaging almost 75 a game to 61 points and the 9 point fourth quarter was the difference in the game. Congrats to our kids for a great performance. We will enjoy it tonight, and back to work on Wednesday and we finish with back to back games vs AHSTW and Glenwood both on the road this week. Before our final home game next week.
