Monarchs (11-8, 6-3) - 45

Boone - 57

Comments- Tonight on a short turnaround after games on Friday and Saturday, and a Monday make up game. We just got out of the gates a little bit flat and let Boone get some really good looks that they capitalized on us and put ourselves in a 13 point hole to start the 2nd half. We were able to get our legs under us and get the game back to 7 points a couple times in the 4th quarter but just couldn't come up with enough stops or big plays to turn the game in our favor. We shot the ball as well as we have all year, but we didn't do a great job of finishing around the rim and getting to the free throw line, and turning the ball over a season high 21 times. You just can't give the other team that many more chances then you get yourself to put the ball in the basket. Give Boone credit they played really well, especially in that first half.
