

The Monarchs lost a tough battle with a strong Sioux City East Raiders 3-0. Our young men fought hard and never gave up. To start, our defense was tested immediately. Our keepers; Christopher Magana and Sebastian Contreras had a total of 17 saves with three slipping through. As a team, we never took our foot off the accelerator and moving forward the coaches and players will continue to grow and mature as we prepare for our home opener on Friday. Our young men along with the coaching staff took a lot from our season opener and will establish more structure, re-adjust and prepare twice as hard. We look to battle Creston, at home, this Friday.

Stats: 17 saves, 10 shots on goal and 3 corner kicks to end the game.
