Comments from Coach Trevino: "We did a lot of things well, but we also did some things that we can do better. The guys have been waiting to get their 1st game in, so it was nice to play against somebody other than each other. We did a really good job maintaining possession of the ball and moving without the ball. We got into trouble when guys tried to do too much with the ball against multiple defenders. We had several near misses on shots just wide or just high of the goal. CBTJ's goalkeeper had a very nice game with 12 saves. For the 1st game of the year, we did a good job".
