Comments from Coach Trevino: "We played very well as long as they didn't have a corner kick or free kick. We definitely need to get better defending the back side of those set pieces as that led to 2 of their 3 goals. Their 1st goal was a fantastic shot that goalkeepers just won't get to if

they're in the right place. We also need to stop fouling so much as that's what gave us problems against TJ in our 1st game as well. We need to understand that other teams will often have a height advantage for headers over us and we put ourselves at a disadvantage when we give up corner kicks and free kicks. When the ball was in play, we dominated possession and controlled the game much more than the score would indicate. We did a good job for the most part on passing and moving without the ball to create passing lanes. Give Creston credit as they put 7 of their 8 chances on goal and their 1 shot that wasn't on goal just missed an upper 90 goal by a couple inches. We had 4 or 5 great scoring chances that we didn't put on frame or kicked it right to their keeper. If we can get those things cleaned up, we will be tough to beat".
